

# *St. Michael School*

## Fall River, Massachusetts

Dear SMS Parents,

I hope this email finds you well. I wanted to inform you about the upcoming signups for our first term extra-curricular activities/clubs.

Our school believes in providing a well-rounded education, and these activities play a crucial role in nurturing your child's talents and interests outside of the classroom. We have a wide range of options available. Please remember that different clubs will be offered during each trimester (1st trimester, 2nd trimester, and 3rd trimester).

The signup period for the first term's extra-curricular activities are attached to this email. During this time, you will have the opportunity to review the activity offerings, speak with your child about their preferences and interest, and sign them up for the club they wish to participate in.

To make the signup process as convenient as possible, we will be providing an online Google form (for clubs that have limited seating) in the links found here: [LEGO CLUB](#) (gr. K-2) [GAME TIME CLUB](#) (gr. 6-8) These links will also be emailed to you. All other clubs will have flyers sent home in the usual fashion.

We encourage you to explore the activity options with your child and choose activities that align with their interests and passions. Participating in extra-curricular activities not only enhances their skills but also helps in building friendships and fostering a sense of community within our school.

Should you have any questions or need assistance during the signup process, please don't hesitate to reach out to me.

Thank you for your ongoing support in enriching the educational experience for your child. We look forward to another exciting term of growth and exploration through our extra-curricular activities.

Sincerely,

Ryan Klein  
Principal
