Principal's News

Summer is an amazing time to rest and relax and get energized for the new school year. I hope all the SMS families are enjoying this beautiful summer. This weekend we have the Saint Michael Feast. This is a great opportunity to volunteer and work off those service hours before the school year even begins. If you haven't signed up, come find me and I'll find a job for you.

Summer break provides adults opportunities for growth. The faculty and staff of SMS are life long learners and that can be seen by the various opportunities that have been seized

this summer. Miss Antone has been working hard at Providence College. Mrs. Leary began a 20-month program at Boston College. Fr. Jay, Mrs. Ouelette, Mrs. Resendes, and Mrs. Lubold attended a conference at Franciscan University in Steubenville, Ohio. The learning never ends in the SMS community.

We continue to prepare the school for the coming school year. There is a lot to be excited about and we cannot wait to begin a new year. If you have friends interested in coming, please remind them to sign up now as classes are filling up.
