## Principal's News

The future is looking bright here at SMS. Refreshing breezes are blowing through the windows and spring is in the air. Please refer to your handbooks if you have any questions about uniform policies and warm weather. Progress reports were sent home last week for grades 1-8, please make sure you reach out to the teachers with any questions or concerns you have about your child's progress.

The May Raffle Calendar has been sent home. These are sold for \$5 each and are a great way to fulfill your fundraising fee as 100% of your calendar sales count towards your fee. There are great prizes to win this year including: gift certificates to local salons, restaurants, photographers, passes to family attractions and much more.

We are currently registering new students for the next school year. Classes are filling up. If you have friends interested in SMS, please have them call now to arrange a visit or shadow day. There is a referral bonus that will be applied to your tuition so make sure you have friends mention your name when they apply.

**FACE application deadline for next year was March 1<sup>st</sup>. I cannot stress the importance of completing this process by uploading all important tax documents now. Please complete your application if you are in need of assistance. The first round of applicants will be given preference but you will still be considered if you apply now. In order to be considered you must complete the application process ASAP**
