## Principal's News

### Virtue of the week: MAGNANIMITY

As I walk through the classrooms this fall, I am struck by how truly engaged in learning the students are. It is a wonderful thing to see so many eager learners expanding their horizons. Please talk to your children about their work at the dinner table or in the car and share in their excitement.

Eighth grade parents and students should be looking at options for high school. Please visit the area schools' websites and find out the application processes. There are open house days coming up. We encourage you to tour each school to find the best fit for your child.

Thank you to all who returned CORI forms. Mrs. Ouellette or myself need to make a copy of your license in order to process. Additionally, the mandatory training needs to be completed for all volunteers. Please go to <https://fallriver.cmgconnect.org/>. Print the certificate and turn in to the office ASAP.
