Principal's News

God bless our second graders who received their First Holy Communion. A special thank you to Mrs. Amy Madeira and Mrs. Lisa Ouellette who have worked to coordinate and prepare the students throughout the year.

MAP testing is completed for the year at SMS. After a quick study of results, I am proud to say that several classes had 100% of their students show growth in math and reading. MAP data sets growth goals for students from the fall to the spring testing sessions and in several cases our classes, as a whole, exceeded those goals. As with any new assessment tool, MAP has taken some adjustment from administration to student completion but overall, I think the students did well. Student reports will be sent home with their report cards at the end of the school year.

May Raffle Calendars are now on sale. All calendar purchases (100%) will be credited to your fundraising fee.

Subsidy Forms must be completed and handed in no later than June 1. If you intend to receive a subsidy, this has to be done, even Saint Michaels or Saint Josephs are your parishes.
